UNLEASHING THE POWER OF HUMAN INTELLIGENCE IN ORTHOPAEDICS

KNOWLEDGE | EXPERIENCE | CREATIVITY | WISDOM

It gives us immense pleasure to welcome you to the 8th International Conclave – ORTHOTRENDS 2025, to be held on 21st and 22nd November in Delhi. With over three decades of collective experience in the field of orthopaedics, the organizing committee warmly welcomes you to join a gathering that continues to shape the future of orthopedic science in India and beyond.

This conclave has become a cornerstone for orthopaedic excellence, bridging the gap between emerging techniques and seasoned wisdom. Through hands-on workshops, live surgical demonstrations, and evidence-based discussions, we aim to equip surgeons at every stage of their career with actionable insights. Past editions—hosted in Ahmedabad, Indore, Jaipur, and Chandigarh—have set high benchmarks, thanks to the unwavering support of our global faculty and participants.

Beyond its historical legacy, Delhi is a hub of innovation in healthcare, particularly in orthopedics, with world-class hospitals and research centers driving advancements.
